

## Welcome to the Champion Gymnastics Booster Club!

Champion Boosters, Inc. is a 501(c)(3) non-profit association whose purpose is to raise funds to support the Champion Gymnastics Team and promote gymnastics on a state, regional, and national level. While we work in collaboration with All About Kids, we are not part of All About Kids and operate solely through our parent volunteers.

All competition season fees for gymnasts who compete for Champion Gymnastics are paid by Champion Boosters Inc. **No meet fees or other expenses related to the competition season are paid by All About Kids.** Therefore, any gymnast competing for Champion Gymnastics must also be a member of the booster club. As a non-profit, it is important that all Champion gymnasts are given equal opportunities as well as equal responsibilities. Membership in the booster club gives all of our gymnasts an equal opportunity for success, as well as an equal shared responsibility for the success of the booster club and the team as a whole.
