

We are excited to welcome back again over 400 athletes into our gym to host a spectacular kickoff to the 2021-22 season! Please note:

- Competition will follow Modified Capitol Cup format for all sessions except non-sanctioned and Level 9/10 which will only host a single flight. One vault landing is ovetop resi and therefore sessions have been organized by flight to allow all L8-10 and XP/XD athletes to compete on such surface. It is my goal to provide a safe and comfortable environment for all athletes and especially higher levels at the start of season.
 - Due to such planned arrangement, certain club's squads may be split in opposing flights for session 4 and 6. This will affect BUGS and EXCEL for such sessions. Please plan accordingly; levels will be specified on the rotation schedule, TBA.
- Equipment/Matting: AAI equipment is provided. 8-in landing mats guaranteed on each event; 4-in mats available but limited.
 - Vault: TAC 10, Stratum and Premier trampoline boards available for both flights. 4-in landing mat provided for L8-10 & XP/XD flights.
 - Bars: ELITE bars provided both flights. We do not have EVO equipment. Pillow/Soft 4-in mats available for releases.
 - Beam: ELITE beams with one full dismount landing. L9/10 sessions accommodations can be made for run up mounts if necessary.
 - Floor: One full floor plus tumbling strip. 4-in mat available.
- Please advise parents/athletes to arrive no more than 15 minutes prior to session start to allow the previous session time to depart.
- We are COVID conscious. Clubs/attendees may follow their own protocols/preferences regarding masks for vaccinated individuals. All unvaccinated individuals including athletes, spectators, coaches shall wear a mask.

Looking forward to seeing you in December!

Thank you,

Brittany Stover
